

GRADING
KUSTOM TIMBER®

KUSTOM TIMBER

THREE GRADES

PRIME

Prime Grade is our cleanest finish with minimal knots. This grade brings a clean, minimalist look and is the perfect foundation for a truly serene, effortless space.

NATURAL

Natural Grade celebrates the natural beauty of timber with fewer knots than our feature grade - striking the balance between serenity and contemporary flair.

FEATURE

Feature Grade fully embraces the natural beauty of timber, featuring knots and texture that is equal parts rugged and beautiful. Perfect for creating a bold and unique space.
